<i>Result</i>	Consolation Prize Winner
<i>Problem Title</i>	Uneducation and poverty in my thanda is the reason for social challenges
<i>Problem Description</i>	I am 14 years, Chenchu girl. I observed that my tribal parents are uneducated, drunkers, and marry more than one woman. They earn money and use it to drink alcohol and make school children coolis. Parents used to make child marriage to my classmates, it pains me lot. For this, I think educating my adults by program like adult education is a necessity.
